# *CHOOSING THE CONTAINER*

# *HOW TO FILL YOUR CONTAINER*

# Perlite

**Improves Drainage &  
Aeration In Potting Mixes**

Mejora el drenaje y la aireación en las mezclas para macetas

**Enriched With  
Miracle-Gro® Plant Food**

Enriquecida con el fertilizante  
de Miracle-Gro®

**Helps Prevent  
Soil Compaction**

Ayuda a prevenir la  
compactación del suelo

# *WATERING CONSIDERATIONS*

# *PLANT SELECTION*

Pots can serve as focal points. This bowl is brimming with New Zealand flax, salvia, geraniums, and two licorice plants.

*GREAT RESOURCES FOR  
PLANTS, CONTAINERS AND SOIL*

*YEAR ROUND INTEREST*

Smoke and berries

Spruce up winter-hardy plantings with annuals. In this summery combination, white-flowering begonias nestle above juniper, while dried branches of Harry Lauder's walking stick add height.

# Well-Placed Pots

Beautiful containers,  
whether planted or  
unplanted, deserve a  
spot where they can  
be seen
